New Opportunity - Solos, Duets & Trios

In previous years, we offered the opportunity for any dancer who had the interest in learning a solo, duet or trio. This would be outside of regular class time, approximately 5 rehearsals, and be an additional cost.

Solos, duets and trios would be performed at the year end recital. In addition to recital, dancers can perform at any competition or festival of their choosing.

Please contact us if your dancer is interested! Rehearsals would take place on Wednesdays at Happy Thought School.
